

Free Telephone Translation at School

The school can get a professional translator on the telephone to help with:

- Parent-teacher interviews
- Registering at a new school
- Meetings with school staff (principal, teacher, special education teacher [SERT], guidance counsellor, secretary)
- Questions you have for the school (permission forms, costs)

The school will pay for the translation into your language. You do not have to pay.

You can ask or answer questions in your language. The school will use the Language Line, which has a translator who speaks English and your language. The translator is in another city. You will hear the translator on the telephone. All information is confidential and the translator will not tell anyone else about your child.
