

Kawartha Pine Ridge Board Improvement Plan

2015–2016

The Kawartha Pine Ridge District School Board Improvement Plan has two main purposes.

1. To improve student learning, achievement and well-being
2. To build capacity and sustainability in the skill and knowledge of educators

Our Board Improvement Plan for Student Achievement and Student Well-Being Process.

- Analyse system-wide quantitative and qualitative data to plan specific student achievement goals
- Determine targeted, evidence based strategies/actions and professional learning for educators that will deliver gains in student achievement
- Allocate resources including professional learning needed to implement the targeted, evidence based strategies/activities
- Assign monitoring actions related to implementation at school and Board level
- Evaluate the system and school-wide progress in meeting identified SMART goals

Our Board Improvement Plan for Student Achievement and Well-Being is.

- Informed by School Improvement Plans, School Self-Assessments and the [*School Effectiveness Framework*](#)
- A precise description of system-wide goals and actions that will lead to improved student learning and achievement for every student.

Specifically, we will:

A. Achieve Excellence.

Students of all ages will achieve high levels of academic performance, acquire valuable skills and demonstrate good citizenship.

Educators will be supported in learning continuously and will be recognized as among the best in the world.

B. Ensure Equity.

All students will be inspired to reach their full potential, with access to rich learning experiences that begin at birth and continue into adulthood.

C. Promote Well-Being.

All students will develop enhanced mental and physical health, a positive sense of self and belonging, and the skills to make positive choices.

D. Enhance Public Confidence.

Develop new generations of confident, capable and caring citizens.
